Online Energy Monitoring Solution

m2mLOGGER®

remote monitoring eco-system

Integrated **Energy** management solution

LOAD
- Power & Energy consumption
- Power Factor monitoring
- Load imbalance
- TOD scheduling

GRID
- Power Quality Monitoring
- Grid Availability

SOLAR PV PLANTS
- Roof-top Plants
- Utility Plants
- Zero export
- Diesel Generator Sync

DIESEL GENERATORS
- Fuel pilferage
- Run time analysis
- Health monitoring

UPS & BATTERIES
- Battery health monitoring
- UPS status monitoring

Successful energy management starts with *integrated* monitoring.

Benifits
- Bring down operational costs
- Monitoring equipment efficiency
- Planned preventive maintenance
- Accurate MIS reporting

Applications

COMMERCIAL BUILDINGS
- Shopping Centers
- Universities
- Hospitals
- Hotels
- Cold Storage
- Data Centers

INDUSTRIES
- Process Industry
- Semi-Conductors
- Pharmaceutical
- Automotive

Industrial **Data-Loggers** & Cloud Gateways

Rugged & feature rich industrial gateways provide secure and reliable telemetry with data-logging.

Never miss a beat in your metrics!

Testimonials

PRITESH M. SHAH
Chairman, PRIMA Group

We are working with M2M Loggers for around 6 years now, and every step of the way they have developed and provided IoT solutions to meet our Real Time Data Transmission requirement.

MANAS BABYLONI
General Manager (Sales & Strategy), Errand Enterprises Pvt. Ltd.

M2MLogger has helped us service our customers with the latest IoT technology. They have helped us stay ahead of competition by developing new innovative IoT solutions for the Industry.

SURAJ CHAWLA
General Manager, NEVCO Engineers Pvt. Ltd.

We were looking for advanced IoT gateways to help us with evolving customer requirements when we evaluated M2MLogger. Their IoT gateways and SAAS cloud platform provided a seamless and integrated solution to our problem. M2MLogger support team helped us to build confidence with our customers and a stronger relationship.

AVISHEK SINHA
Director, Srijan Webmatics Pvt. Ltd.

Struggling with bad experience with existing IoT products, we were referred to M2MLogger. Their equipments integrated easily and are highly maneuverable which made them easy to deploy for targeted monitoring when and where we need it.

M2MLogger
An ISO 9001:2015 Certified Company
